Use of Personal Information

We use the personal information of the users in a beneficial way to both of us. The collected information is used and transferred to the third parties for booking, enquiry and transaction process. You should know that the information gathered from you will be processed outside India as we need to arrange the products and services requested by you. Customers will be requested to confirm the acceptance of sharing of information at the time of booking.

The personal information collected from you will be used to send AMW Vacay's latest product announcements, promotions, offers and events. We are glad to inform that it helps us to improve our products and offerings to a great extent. Customers have the option to unsubscribe the announcements at any point of time.

We mainly use your information to upgrade our current products, services, content and advertising. Sometimes, the collected personal information will be used internally for research, analysis and auditing.

Use of Non-Personal Information

Non-personal information means the information that does not identify a particular user. The list of non-personal information includes browser, operating system, occupation, language, location, pin code and device identifier. AMW Vacay collects this type of information to enhance the user experience as well as the products and services.

Use of Cookies and Technologies

Cookies play an important role in offering the best user experience for all our valuable AMW Vacay customers. Most of the web browsers accept cookies while others require some changes to be done in your web browser. However, users can easily control and delete the required cookies immediately. We make use of cookies to upgrade our online services, applications, advertisements and email messages. Generally, cookies are used to identify certain information like passwords, list of pages visited, identify your session at a particular website and so on.

AMW Vacay assures that we do not use cookies for identifying your personal information or share your privacy with any of the third parties.

Disclosure to Third Parties

AMW Vacay has the right to share the personal information as required with any of the third parties. It is mainly shared on matters relating to booking, reservation, blocking or any such activity initiated by users.

Service Providers and Partners

AMW Vacay Private Limited may disclose personal information with companies that offer services like information processing, developing customer data, conducting customer research and satisfaction surveys.

With Whom Your Personal Information is Shared?

We usually share anonymous information and reports with our reputed suppliers, advertisers or any potential business partners. AMW Vacay requests all customers to read over the privacy policy before their booking process, as it provides detailed information about us.

Changes to this Privacy Policy
